# Topics for Welding Engineers programme

Expert Faculty with Academic and Industry background

- (1) Fundamentals of Arc Welding, types & its theory
- (2) Power Sources
- (3) SMAW Process
- (4) GMAW Process
- (5) GTA and Plasma Processes
- (6) Welding Metallurgy & Weldability
- (7) SAW Process
- (8) Gas Welding and Cutting
- (9) Soldering and Brazing
- (10) Welding Technology
- (11) Resistance Welding
- (12) Quality Control & Safety Methods

## Registration Form

Name: .....

Designation: .....

Organisation: .....

Contact Address: .....

Phone: ..... Mo: .....

Email: .....

Qualification Highest: .....

Experience in Fabrication Industry: .....

Registration Fee: **Rs. 5000/-** per candidate, Cheque / Bank Draft in favour of  
**M/s. Fusion Resources**

# **WELDING** **for** **ENGINEERS**

**Course meets the need of Fabrication Industry**

**To, \_\_\_\_\_**  
\_\_\_\_\_

**Fusion Resources**

**Consulting & Training in Welding and Metallurgy**
